

Be Mobile & Accurate In Today's Global
& Fast-Paced Financial Environment

FULLY INTEGRATED WEB-BASED SOFTWARE SOLUTIONS

The Comprehensive Software Solution

Global Fund Solutions is the investment management industry's first web-based integrated software solution. Our back-office solutions seamlessly integrate the cornerstones of any investment firm: allowing your firm to be mobile and have access to information in one centralized location in today's global financial environment. **Our trusted products and services are proven to drive operational effectiveness, enabling any firm to focus on what is important – its clients.**

Integrated Modules

Solutions for:

SEAMLESSLY
INTEGRATED
SOLUTIONS.
SEAMLESSLY
SIMPLE.
LET OUR SOFTWARE
WORK
FOR YOU

- Hedge Funds
- Fund Administrators
- Insurance Companies
- Family Offices
- Accountants

With GFS' integrated modules, duplicate entries, errors and cumbersome calculations are eliminated and your firm's productivity is increased. Upload broker data directly into the software with our OFX capability. Tax forms are auto-populated and can be directly emailed to investors. Reports across all modules are auto-created. **Time is now to have one integrated platform for your back-office needs.**
